1500+
visitors

In the spring of 2025, the main focus of the business program of the exhibition was on the real experience of experts, demonstrating the investment sustainability of the industry, the viability of leasing production models, the possibility of reorienting the market to domestic brands and goods, as well as the search for the most profitable cross-industry ways of cooperation. This year, in addition to the traditional formats: the lecture hall and the area of the A.N. Kosygin Russian State University, the territory of LEGPROMPRACTIC.
